Vicar's Letter

Dear Friends and Neighbours,

Happy New Year! I say this as I write before Christmas, the General Election and who knows what else. Editors need to have time with their families over Christmas too. So all of the preparation for the January edition of our magazine takes place well in advance. With a mind to the future, and with our last twelve months as its backdrop, the line between speculation and hope has the potential to get a little thin. Of course, getting thin is another topic that pops up at this time of year.

The Church began its New Year at the beginning of Advent. Like those who have received the good news that there will be an additional member of the family, the season of preparing for their appearance gives way to the reality of their arrival. This is often filled with a combination of hope for the future and a lot of effort. If only to ensure that all concerned have best chance to succeed.

A Senior Sister visited me after giving birth to her first child, having recently returned to work. She was astonished at just how much of her self confidence had diminished as a result of her little human's arrival. With all of the gifts that babies bring, especially those that need a lot of clearing up afterwards, coupled with a very different body clock, if not time zone; hanging on to anything of their former self confidence had become a major challenge. We spent time developing a system of noticing every achievement, however small, and then had a think about what they might do that would give them a sense of achievement with no reference to their past.

Her epiphany was as different as it was 'off the wall'. At our next meeting I was met by a very excited individual, and what fell out of her mouth was a surprise to say the least. "Belly Dancing!" she said with as straight a face as she could muster. The look on my face must have been a picture, the subsequent grin on her face soon broke into hysterical laughter. It was a real tonic, both at the time of her announcement (we'd had a tough shift) and subsequently. Convinced that if she could carry this off she could cope with anything, it certainly worked for her.

It's amazing how the 'left of field' can make a dramatic difference. Jesus, God made flesh and the Creator of the Universe, was born without fanfare, astonished the wise and the doubters and went on to conquer death without an army. Many difficult situations have been overcome by simple if not radical ideas. Spending time with those who love us, just like our editors try to do at Christmas, is an opportunity both to enjoy love and learn how to love even more. And it can be catching! So if there is any New Years resolution worth having at all, it has to be spending more time like this. Knowing Love and sharing it is our True Life in God. Enjoy!

With best wishes and prayers,

Bill

Welcome to our New Readers

This month we welcome many new readers. We hope you enjoy reading the magazine. You'll find regular updates from many local organisations, along with news from the villages and local features. Contributions are always welcome, so if you are a keen photographer that would like to provide cover photos for the magazine, or you enjoy writing and could provide an article or two, please get in touch. As with most parish publications advertising is an important source of revenue - so if you are a local business and want to reach over 900 local households, please contact us for details. Email us on lydenmagazine@gmail.com

Wanborough Farmers' Market

The first Farmers' Market of 2020 will be on Saturday 18 January in the Village Hall between 9-12.

Following his highly successful debut at the market last month, Ken of Ken's Fish would like you to contact him on 07590 979 194 if you would like to order fish or just talk to him about what is available.

As usual, the Community Connect Coffee Morning Team will be at the market offering free refreshments (teas, coffees and home-made cakes). Buy from local producers and growers and at the same time help raise money by donating to the local branch of Headway, the brain injury association. The Swindon branch which has a strong connection with Wanborough, is an amazing charity helping people cope with the devastating consequences of a brain injury. It provides support, services and information to brain injury survivors, their families and carers, as well as to professionals in the health and legal fields.

Many thanks to those who came in November; we raised a fabulous £224 for Prospect Hospice!

For more information about the market contact Sue or David Birley on 01793 790438 or sbirley@gn.apc.org

The Ridgeway Link

Happy New Year to everyone.

The Ridgeway Link started in March 1996 and hopefully we have provided a useful service over the years. Many new people have come into the area since then and may not know what we do.

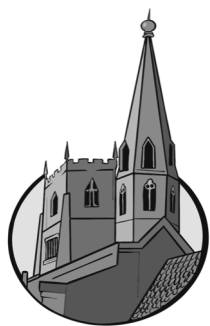

Essentially, we provide a transport service for residents of the four villages in the Benefice who need it. Usually this is for visits to the doctors, dentists, opticians and hospital, although we do sometimes include shopping and we can collect prescriptions. If you have a need to go somewhere else, please ask, we will help if we can. We provide the service free of charge using volunteer drivers although we do appreciate donations. If you, or someone you know, need a lift please contact our dedicated telephone and leave a message. Rachel, our co-ordinator, will get back to you as soon as possible. The number is 791192. We always welcome new volunteer drivers, there is no minimum commitment and if you have a car and feel you can sometimes help out we would be pleased to hear from you. Louisa Barnes is the volunteer co-ordinator and can be contacted on 790372.

Best wishes from the Committee – Brian, Louisa, Jan and Rachel.

Liddington 100 Club

The winner for November is Julie Bishop - congratulations Julie.

Wanborough Parish Council

Parish Council would like to wish residents a Happy New Year.

Welcome to January's edition of the Lyden magazine. With the help of the Parish Council this magazine is now being delivered to all residents in Wanborough village. Hopefully you will find the magazine useful and it provides you with information about what's happening in the village. If you would prefer to receive a soft copy by email (Wanborough residents only), rather than a hard copy through your door, then please complete the "consent form" on page 9 and return to the Parish Clerk as soon as possible ready for February's edition. The consent form can also be downloaded from the Parish website. (www.wanborough.info)

Footpath & Village Maintenance

The Village Handyman has been concentrating on maintenance of the play areas, removing graffiti, clearing leaves and cutting back shrubbery. He has also started work on clearing leaves from footpaths and hopefully you will start to notice an improvement in these areas.

If there is anything that you feel needs to be done, then please report any village maintenance issues to the Parish Clerk by either e-mail clerk@wanborough.info, by using the "Maintenance Report" on the Parish website www.wanborough.info, or alternatively text, ring or Whatsapp on telephone number 07588 769829.

Planning Update

There is a considerable amount happening on the planning side within the village. We will endeavor to keep you informed as much as possible through this magazine, but also on the Parish website www.wanborough.info and on Wanborough Parish Council's Facebook page.

SBC's Local Plan Review 2036 – Consultation

SBC's Local Plan Review 2036 final consultation starts on 17 December 2018 until 31 January 2020. Included within this Plan, Wanborough has three sites allocated for development with a total of 48 houses, in addition to those already allocated sites within The New Eastern Villages. This allocation is the highest of all the smaller villages around Swindon.

Parish Council urge residents to send comments to SBC if you have concerns or objections. Badbury and Bishopstone residents have managed to get sites removed from their Parishes, so let's see if we can push SBC to reconsider Wanborough's sites, where there are a number of clear planning reasons as to why they should not be developed. Wanborough Parish Council accepts there is a need for new houses, however better planning is needed to ensure they are built in sustainable locations, without having a detrimental impact on the village. This is your final chance to send your comments to SBC during this consultation. E-mail: forwardplanning@swindon.gov.uk or write for the attention of Phil Smith to:

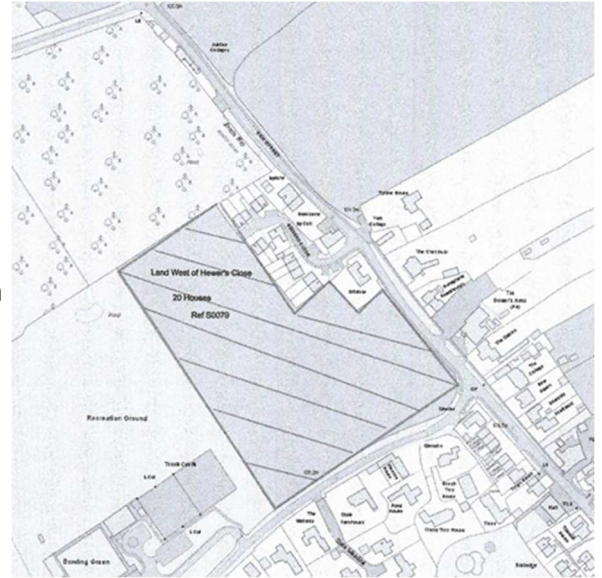

Planning Policy
Swindon Borough Council
Wat Tyler House
Beckhampton Street
Swindon
SN1 2JH

The three sites allocated are as follows:-

Ref S0079 - Land West of Hewer's Close – 20 Houses

To date SBC have received objections from 12 residents, The Woodland Trust and Parish Council. Parish Council have objected for the following reasons:-

- The entire site is designated as a “significant unscheduled archaeological feature”; this should be protected and preserved, not developed.
- A large proportion of the site is within Lower Wanborough Conservation area; any development of this site will have an adverse impact on the heritage of the village.
- There is a footpath that goes diagonally across the site and is enjoyed by many residents of the Parish.
- A large section of the site is within SBC “non-coalescence area”, policy NC3 (new policy number SA3).
- The site borders the Woodland Trust land; the Woodland Trust have previously confirmed their strong objection to any development on this site due to the close proximity to Warneage Wood.
- The site is a designated “important green space” within Lower Wanborough Conservation Area.
- Access to the site would have to be via Hewers Close; this access was designed for the houses in Hewers Close and was not designed to take additional traffic from a further development.

Ref S0221 – North of Mayfield, West of Kite Hill – 20 houses

- To date SBC have received objections from 10 residents and Parish Council have raised concerns as follows:-
- Access to the site would be extremely difficult from Kite Hill due to the steepness of the road that would be needed.
- Kite Hill is a narrow country road that would not cope with the additional traffic that this site will bring for 20 new houses.

Ref S0458 – Croft Yard – Ham Road – 8 houses

So far SBC haven't received any objections for this site.

This site is now subject to a live planning application – Reference S/19/1732 – Croft Yard (land next to the Doctor's Surgery) for the erection of 9 dwellings, including providing 6 additional parking spaces for the surgery. Detailed plans for this application can be found on SBC Planning portal by going to the website, www.swindon.gov.uk/planning, and putting the reference in the search box. At the time of writing Parish Council are due to discuss the application at their meeting on 16 December so Councillors' views will not be available until after the meeting.

If you have any comments on any of the three sites, please make sure you send them to SBC before the end of January 2020 (details as shown above).

Planning Update Continued

Notification has been received for two planning applications that were refused by Swindon Borough Council which have now gone to Appeal. This means the Planning Inspectorate will review the application and decide whether or not to allow permission. The two applications are as follows:-

- Planning Inspector's reference APP/U3935/W/19/3240758 – SBC's Ref S/19/0477 - Land At Marsh Farm, The Marsh - Erection of 8 dwellings with associated car parking, landscaping and associated works. Closing date for comments on 6 January 2020.
- Planning Inspector's reference APP/U3935/W/19/3241592 – SBC's Ref S/19/1135 – Land adjacent to Woodlands, Callas Hill – Erection of 1 detached dwelling and associated works. Closing date for comments on 7 January 2020.

If you wish to submit comments to the Planning Inspectorate please contact the Parish Clerk who will be able to provide details as to how to do this.

Minor Highways improvements

Parish Council receive many concerns from residents in relation to the roads around the village (separate from those received in relation to pot holes and the state of the road surfaces). Concerns include:-

- Parking along Church Road, especially on the corner by the Church, where it is difficult to see around the bend.
- Parking in front of the bus stop on Church Road, resulting in the buses not having room to stop, includes the Ridgway School buses.
- Insufficient parking around the village.
- Inconsiderate parking.
- Speed of traffic driving through the village.
- Rat running.

In order to tackle a few of these problems Parish Council have had a meeting with Swindon Borough Council's Highways Officer, and also written to the Ward Councillor, providing them with ideas and suggestions. Swindon Borough Council has asked that we gain support from residents as to whether you would support any of Parish Council's ideas which include:-

- To mark out an area by the bus stop on Church Road where cars cannot park, to provide a safe place for buses.
- To put a short stretch of double yellow lines along the edge of Church Road from Florence House to the turning to St Andrew's Church, so that it makes it safer for road users.
- To provide additional parking provision within Warneage Green, to help ease the problem of parking in this area.
- To upgrade the vehicle-activated signs on Callas Hill and Kite Hill to make them more effective.
- To provide designated parking areas along High Street
- To look at improving the roundabout at the Rotten Row / High Street junction.

Please let us know whether you support any of the above ideas or whether you have any other ideas of your own by contacting the Parish Clerk,

The next Full Parish Council meeting is due to be held on Monday 27 January 2020; everyone is welcome to attend.

Liddington Parish Council

Season Greetings and a Happy 2020

The Parish Council hopes that you have all had a relaxing and enjoyable break over the Christmas Holidays. We would like to wish you all Happy New Year for 2020.

Landscape Maintenance Contract

We are pleased to announce that the contract for the grass cutting, hedge cutting and general landscape works with Adams and Watt has been renewed for another year as we are so pleased with what they do. During the annual review walkaround that took place in October, some additional areas were identified as needing attention; the stile at the top of the playing field was in a poor condition so rails and the step have been repaired and replaced. Holes in the perimeter hedge have been filled with new whips, and two new rails added to the fence on the left-hand side of the gate from the Churchyard. We hope you have also noticed the improvement to the footpath alongside the B4192 that was completed earlier in the month.

M4 Junction 15

Questions have been asked about when the publicised improvement works to Junction 15, M4 will be started. The works have been delayed but we don't know why. We will update you as and when information becomes available. The next meeting of Liddington Parish Council will be held on Wednesday 8 January 2020 starting at 7pm in the Village Hall. **Val Curtis, Clerk to Liddington Parish Council**

Ward Councillor update from Gary Sumner:

Next Ward Councillor Meeting :- Saturday 25 January 9-11 at Wanborough Village Hall

WARD news and other surgery dates at www.ridgewayvillages.co.uk

Happy 2020!

In 2020 I will be celebrating four years as your Ward Councillor.

It's been both a fantastic honour to represent the villages but also much busier than I probably ever expected. The role of Cabinet Member for Strategic Planning has its challenges and I already have a busy diary for January visiting places like Highworth and Wroughton to talk about the 'Local Plan' draft allocations for house-building in those areas.

The **Local Plan Review Consultation runs to the end of January** and I would have been happy to talk to Wanborough residents at a Public meeting but one has not been requested. I will be happy to talk to you at my Ward meeting on the 25th January if you have any concerns on the three provisionally allocated sites in Wanborough.

WALES & WEST – GAS MAIN WORKS: I will publish the work programme on my website as this includes **(in Wanborough) Church Road, Kite Hill, Rotten Row, High Street and Burycroft plus Wanborough Road. Look for closures/details.**

SOUTHERN CONNECTOR ROAD – THE bypass for Wanborough: I spoke at the Planning Committee meeting in December to support this essential road and in the end nobody spoke against it and Planning was granted.

RURAL SUPERFAST BROADBAND: Come to my Ward meeting and let me know if you are having any problems?

HIGHWAYS: Consultants have been appointed to design & implement plans to minimise 'RAT RUNNING' through Wanborough, Liddington, Bishopstone. I hope to have some plans to share.

Please call me on 790814 or email: gary@ridgewayvillages.co.uk

Our Radiators Overfloweth!

Bill and Bowser

Following the article in the December issue of the Lyden magazine on the heating and boiler system replacement at St Andrews Church in Wanborough, some of you may have wondered how they were able to refill the network of cast iron pipes underneath the church? As there is no water supply at the church, consultation took place with the local Fire Brigade to see if they could help, but there was concern that the water pressure from their hoses might harm the aged Victorian pipe network.

It was discovered that the new pipework installed in the boiler house matched that of the Queen Elizabeth class aircraft carriers.

Local Heritage Engineers Colin and Ian Hatch came to the rescue with a cubic metre (1,000 litre) water bowser on the back of trailer, while Rev. W. O'Connell then set up a network of hose pipes to slowly fill the new boiler system and radiator network. Result!

Barry Hillier on behalf of the **Old Boilers**.

Wanborough PTA News

Wandering around the local area we see all the Christmas lights and decorations going up; making the houses look all festive and welcoming, we start to wonder where on earth this last year, let alone this last term has gone. It seems like the summer fete only a moment ago. The coats and woolies are most definitely a permanent fixture now. Although we recently witnessed the youngest in our school ditch the 'winterwear,' and don their smartest clothes as they attended, what may have been for some their first school disco. DJ Woodman was playing tunes all night long (well all evening anyway), and the dance floor was never empty. In fact, our dance floor was filled with over 109 pairs of little dancing feet. The dance floor was almost as popular as our 'adult creche'. The Key Stage 1 disco saw many a face painted into a tiger or superhero, and sausages galore consumed. For this we thank everyone who was involved in supporting, buying, or volunteering at this event; which has allowed us to raise in excess of £1,000. I am sure you can imagine how that will help towards our aim for this year in ensuring greater access to technology for the children.

Bags2School

Another big thank you to everyone who had a clear out of their wardrobes and donated their unwanted clothes and shoes to our Bags2School collection. On Monday 2 December we had 130 bags of preloved items dropped off at the school collection point; as well as few teddies for our "adopt-a-teddy" stall at next year's summer fete. This has enabled us to collect a further £261 for the school. Please think of us if you are having a clear out over the festive period, as we plan another Bags2School collection in the spring.

Easyfundraising

We now have 43 people signed up to Easyfundraising, so thank you for taking the time to sign up. Check your emails and our social media for 'double point' collection weeks', which keep popping up. It's not too late to sign up though; it is one of the easiest ways you can raise much needed funds to support your local school. All you need to do is download the app or open the 'Easyfundraising' website, select the retailer that you wish to purchase from and complete your shop as usual. Your basket will be the same price and the PTA will receive a donation. Plus if you use this link we will receive a £5 bonus donation for every support who signs up using your unique referral code. <http://www.easyfundraising.org.uk/causes/wanboroughprimary/?invite=UXYA85&referral-campaign=s2s>

The Famous Quiz Night

Our famous quiz night is coming up in the New Year. It will be held at the school on Saturday 1 February. Last year 17 teams competed to become the quiz champion of Wanborough. This year could it be.... You? We are always welcoming new teams to this popular and fun event. We know that the village is full of 'quizzers', so pop the date in your diary, gather your team and look out for further information coming soon. To register your team please email us at contactpta@wanboroughprimary.org

Thank you

All that is left is for us to wish you a very Merry Christmas and a Happy New Year. Thank you to all of those that have helped us raise money over the past year, whether that is through attending an event and spending your money, donating a prize, having a spring clean and filling a bag2school or signing up to 'Easyfundraising,' and just doing your usual shopping; it really does help, and means a lot to the school, and the pupils. We hope to see you all in the new year. Merry Christmas!

Wanborough Tennis Club Celebrates

We feel very proud to have been awarded 'Club of the Year, Wiltshire' by Wiltshire Tennis & the LTA. Congratulations and many thanks to the committee whose hard work has been acknowledged in achieving this award and to the members who continue to support the club. Some of the judges' comments :

'...new volunteers in their committee have had a tremendous impact on the club and are always ready to get involved...'

'...a quality all year coaching programme and fantastic links with the local community and primary school.'

'This village club is a welcoming, progressive club that caters for all ages, backgrounds and abilities. ...first class facilities and quality tennis opportunities (WTC) richly deserves this award.'

Many congratulations also, to Theo Lewis who won the Wiltshire 'Young Person of the Year' award. Amongst many compliments from the judging panel:

'He has represented the club in various age groups and is always on hand to help and inspire others whilst playing or assisting with the coaching.'

'He is a fantastic ambassador for the club... a 14 year old who can take on responsibilities, show leadership and be liked and respected is very rare.'

Theo Lewis accepting his award

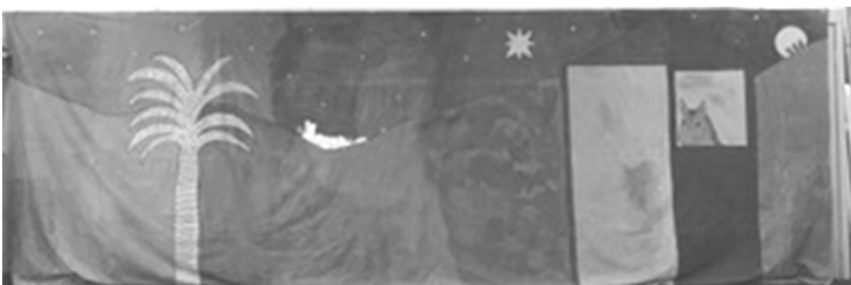

Other Tennis Club News

Thank you to the Brewers who accommodated us, at very short notice, for our very enjoyable Christmas social evening in early December.

A gentle reminder please to those club members, who have not yet done so, to 'opt in' for the Wimbledon Ballot on the LTA website. Our allocation of Wimbledon tickets depends on every member doing this.

Finally, kick-start a New Year's resolution and make the most of any dry weather, don some warm clothes and come along to enjoy some fresh air and exercise on court.

Wanborough Playgroup News

December saw us busy with Festive outings and activities and crafts. We very much enjoyed our visit to Wanborough Primary School to watch a rehearsal of their Nativity 'A Midwife Crisis' performed by Acorn and Conker Classes. Our walk back to the Village Hall saw us learning about road safety as well as looking at our surroundings and discussing the route we would be taking and would we have snack as soon as we got back!

Acorn Class visited us the following morning to be our audience for our rehearsal of our Nativity. It was great to catch up with them all.

Our main performance was held to a packed hall of parents, grandparents and friends. Lorna Davies brought a band of 6 year Sixes from Wanborough Primary School who played 'O Little Town of

Bethlehem' and 'Away in a Manger'. All 16 children did an amazing job and put lots of smiles on our faces. Quite incredible as they were aged between 2 and 3 years old! Our refreshments, cake sale and raffle raised £208.65. Thank you to everyone for the generosity. Thank you to Ian of Take One who videoed the event for us.

Pop up Prosecco (Festive Edition)

An amazing evening was held on 29 November when Andrew Garton put on a wonderful festive music quiz with lots of twists and turns. This time we introduced festive Mocktails which went down well as an alternative to the Prosecco ones! The evening raised an fantastic £1,476.

Thank you to the following companies who supported us by donating items for the raffle and auction:-

Beauty Absolute, Kate's Ironing, The Link Centre, Primary Lettings, Styles by Charlotte, Swindon Town Football Club, Yoga with Nickie, Wanborough Swim School

Keep a look out for our 2020 Prosecco Evening Dates!

A reminder that our **Jumble Sale will be held on Saturday 1 February**. We look forward to receiving all your items! Slips will come out through your door in January.

We wish you all a Happy New Year!

VE Day 75th Anniversary – 8 May 2020

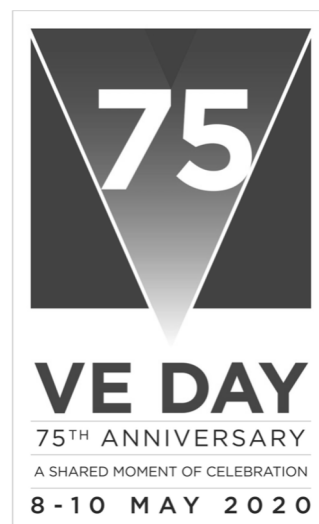

Wanborough Parish Council are excited to announce that in conjunction with Wanborough Community Trust and St Andrew's Church PCC we are arranging a parish event to celebrate VE Day 75th Anniversary on Friday 8 May 2020.

The plan is to have a "picnic in the park" style event with live music and entertainment in the open space next to the Church. We have plenty of ideas and it will surely be a great afternoon for all the family.

We also plan to have a display of information around the Church on how the village used to look during the War, along with photos of and information about those who served in the war, those who remained and were involved in the war effort in other ways, and those who returned. If you have any information, photos, etc that you would be willing to share with us then please get in touch.

We are also looking for more helpers and we'd welcome ideas, assistance and support for any local group, organisation or charity that would like to participate. If you are interested in being part of the team please contact Parish Clerk or Tessa Lanstein (contact details in the back of the magazine).

Please keep this date free and we will update you with further details in next month's Lyden.

World War 2 Memorial

In St Andrew's Church there is a War Memorial on the wall listing those who laid down their lives in the two World Wars. Over the next five months we will provide information on each of the five who lost their lives during WW2.

Albert Henry Gleed

Albert Henry (Harry) Gleed was born in 1916 in Cricklade. His father, Albert George Gleed, came from Chiseldon and his mother, Ada Lewis, was born at Trexham in Gloucestershire. In 1939, at the outbreak of the War, Albert George worked as a locomotive engineer and the family lived at Kite Hill Farm in Wanborough.

Kite Hill Farm, 1922

War Cemetery

Albert enlisted as a private in the 4th Battalion of the Somerset Light Infantry and was killed in action on 29th June 1944 during the Western Europe Campaign, the Allied offensive in north-western Europe which began with the Normandy landings on 6th June 1944. Albert is buried in France at Saint Manvieu War Cemetery near the village of Cheux, 10 km west of Caen.

Shooting, Swimming and Bag Packing

November and December have continued to be a busy time for the Scouts. November began with an opportunity to do some Air Rifle practice in Old Town. 18th Swindon Scout group were kind enough to let our scouts have an hour's coaching slot. For Nicola, this was her first time shooting – it turns out that she is rather good. Wilfred, James, Jack & Beck also had a go. Each of them practiced in all three key positions – standing, sitting & lying down. The Scouts certainly felt better prepared for the District Air Rifle competition on 30th November. Only 3 of them could make this, which meant each of their scores had to count. (we could have sent 5 scouts and the best 3 results get chosen). The Scouts have two practice rounds and then each get to shoot twice. Two entries are seated, two standing and two lying down. Then there is one final round for one Scout. The challenge is to shoot circles of ever decreasing size for ever increasing points. 6 circles, with 6 shots. The Scouts have to hit each circle in sequence. Wilfred had the honour this year the last one and hit each of the first 5 circles and narrowly missed the 6th and final one. Out of 12 Scout teams that entered 1st Wanborough came 5th with a handsome score of 262. "It was exciting and I really enjoyed it." commented Nicola after her first experience. We will try to get more practice sessions in across the year.

Guard of Honour

The whole group also provided a guard of honour for this year's Remembrance Service held at Hinton Parva. It is always good to see to a decent turnout. I was particularly moved this year, when a decorated ex-serviceman, who was helping to lead the service, took the time to come and shake the hand of each Beaver, Cub & Scout and thank them for contributing to the church service. A small gesture, but it helps to remind us why we do remember. It is about real people within our community. If this is one small way that we can give back and show respect, then I hope our Beavers, Cubs & Scouts will think that it is worthwhile sacrificing that couple of hours once a year, both whilst they are with us and in later life. November also saw the annual District Swimming Gala. 1st Wanborough Scout group run this event, which sees teams entered for both Cubs and Scouts across the District. It is always a difficult event because either any club swimmers within your troop are competing at a club gala and are not available, or they are swimming for the different troops. Consequently, the troops with more club members traditionally do best. However, 1st

Wanborough won a number of heats and got through to the final of most races. We even won some medals! Sadly, this was probably the last District Gala. The time is right for us to look for a new water based activity that is maybe a little more inclusive.

Finally, as we have moved into December, the Scouts have been very busy fundraising and giving back to the community. Last week, along with the Beavers and Cubs we did our annual bag pack in Tesco's along with a spot of carol singing. We have managed to raise nearly £500. A tremendous amount for a couple of hours work. This will go to support the troop with the more exciting elements of the scouting curriculum. Sunday was the beautiful Christingle Service at St Andrews. Serenaded by some festive music, children from all three sections helped to construct the Christingles. The Scouts, who had planned the whole service, then performed a small play that explained the message of the Christingle which has been adopted by the Children's Society, a charity in England and Wales that looks after vulnerable children. The church looked beautiful, with an absolutely stunning tree. Hopefully, it sparked that Christmas spirit and any funds raised all go to the Children's Society.

As I type, the Scouts and a number of willing parents will be helping to sort the Scout Christmas post. This fundraiser takes lots of hard work in preparation, from selling stamps, to sorting at the central Scout Post sorting office each evening for the last week and finally sorting our villages into piles of cards per street ready to be hand delivered by our willing Beavers, Cubs & Scouts (& parents). However, delivering lots of messages of goodwill and love to many of you makes it worth it.

From all of 1st Wanborough Scout Group – Merry Christmas to you all and all the very best in 2020. Many thanks to all of the parents and members of the community who help and support us to put on a packed year of fun for local young people.

A trip to Thailand

It's been just over three weeks since I've arrived back home after attending 'The Personal Travel Agents Top Performers Trip' in Thailand and wow what a trip it was. For those of you who follow me on Facebook, you would have seen that I got up to some amazing experiences and bucket list moments. From 'Bamboo Rafting' in the jungle to visiting an 'Ecological Elephant Sanctuary' to bathe with the Elephants, it's been jam packed and brilliant fun. As well as celebrating the success for my business, I also got to embrace Thailand so that I can pass on my expert knowledge when booking your holiday. From the perfect twin centre to experience the different parts of Thailand, to where to go for some local shopping or street food – I'm your go to Thailand expert.

During my stay in Thailand I stayed at 2 hotels (The Sands Khao Lak by Katathani & Phuket Marriott Resort & Spa, Merlin Beach) but visited a few others which cater for different people (X10 Khaolak Resort & Best Western Premier Bangtao Beach). Having met with the hotel managers, I can make sure your stay is as relaxing as the views from the beach bar.

This trip wouldn't have been possible without my customers, so I want to say a big thank you for your support for my business, so that I get to go on these once in a lifetime opportunity. Make sure you follow my Facebook business page where I have plenty of pictures and videos of what I got up to as well as some more handpicked offers for Thailand.
