We are always keen to hear from you.

A letter from the Vicar – July 2026

Dear Friends

July has arrived and school holidays will begin soon. The children can't wait, maybe parents are dreading it? I have reached the time in life, much to my surprise, when I have grandchildren, three at the moment. It is wonderful. Jennie and I have raised our four boys and now they are beginning to raise their own children, the oldest of which is three currently. Parenting is definitely a more difficult complicated task for modern parents than it was for us, despite the profusion of amazing gadgets, toys, experiences and technologies now available in the retail sphere.

Charity shops and recycling platforms are a brilliant place to source the stuff needed but the real challenge comes, not in providing the physical stuff children need, but in providing them with the emotional, psychological and spiritual environment that will help them become mature, happy, curious, stable, resilient, compassionate, loving, kind, rounded human beings. Obviously, the example and modelling of life by us, the parents and grandparents, is the biggest factor in this but there is something else I think can get badly overlooked. **Boredom!** Boredom is a much underrated but essential part of growing up. Why? Because it is the engine of imagination and imagination helps us to develop all sorts of very human qualities such as interests, hobbies, problem solving, curiosity, knowledge, creativity and the ability to make sound judgements and decisions. How can we expect young adults to make sound judgements in their lives if they have never been exposed to situations growing up in which they had to make decisions which had any kind of real consequences? Being entertained all the time does not allow these traits to develop, hence the need to manage screen time and smart phones and not jump as soon as the words are uttered "I'm Bored."

I remember being so bored at home it drove me and my mate from down the road out of the house to find things to do, to explore, to amuse ourselves with. We had to think about it, plan it, do it, hopefully return safely, review it and improve on it tomorrow if we could and felt like it. Dad was at work and mum was doing her homemaking tasks and it was never considered their responsibility to entertain us all the time or for them to arrange for us to be entertained. We dreamt up many things to do but looking back we learnt massively thorough the freedom we had to do this – a freedom much less easy to find for youngsters today, I freely admit. But put a few children in a parking lot and they will find a way to amuse themselves. It seems to me children have an inbuilt curiosity about the world and life which only needs releasing and letting be, along with others their own age. Over stimulation from outside, delivered entirely by adults or entertainment platforms to simply fill up their time is in danger of stunting children's imaginations, creativity, and sense of self and wellbeing. Time exploring on their own in the natural word is wonderful for this. Yes, as parents and grandparents we are there to supervise our young people, to make sure the envelope of freedom for them to explore is a safe one and age appropriate, but let's not stifle all that youthful curiosity and energy for it is the engine of growth.

As Christians we often reflect on what it means to be created in the image of God. Surely one of the things that makes us so different from the rest of creation is our imagination. Formal education has its place but so do the holidays with time to let curiosity roam free and come to the fore and to be able to develop our own individuality and sense of self, within God's glorious wider creation. In the natural world we see God's amazing creativity writ large. Is it surprising that made in His image we too are fundamentally creative and imaginative beings ourselves? Have a great summer.

Kind regards

Revd, Steve Paynter

Stevedpaynter@gmail.com 01793 296870

Prayer:

Thank you Lord for making us in your image in a world of such diversity and beauty.
Help us as adults to encourage and enable our young people to access their own creative natures and grow up as whole, rounded, stable and happy individuals**. Amen.**

Village Hall & Village Planters

With the help of some very hard working villagers we have tidied up the front of the village hall.

Edit and Nathan have cleaned the area under the hedge , cut the hedge , removed all the rubbish and laid grey slate provided by the Village Hall.

We purchased two new planters, with the help of The Old Boilers, filled then with compost supplied by Natasha our favourite Beavers leader and planted pretty plants supplied by the Farmers Market. What a team!.

Thank you to all who funded this Project and Edit and Nathan, who live up the road , so much hard work and effort, we are very grateful. Have a look when you pass by, we hope you like it.

Thank you also to Beth who planted up some of the planters in the high street, Angela who tends planters around the village, Rosemary and Martin who look after the planter going out of the village via the Marsh and Sarah, Sue, Alison and Natasha, Louise, Jo, Sue, Rachel, Ciaran who all plant and water. Also Judith who tends the planter by the roundabout and Edit who smartened up the flower planters near the allotments. We thank you all.

If you would like to help with this , planting , tending and watering give me a shout. We would love to welcome you.

Lyden Magazine

If you would like to submit an article to be included in next month's Lyden, then please e-mail your contribution (Word documents preferred) to the Lyden by the 14th of the month by 5pm prior to the publication month (by 14th May for June's magazine): **Lydenmagazine@gmail.com**. We are always keen to hear from you.

Wanborough Parish Council

Parish Council News – Update

May Meeting Update

Here's a quick update from the Parish Council meeting held on 13th May, keeping you in touch with what's been going on behind the scenes.

As this was our Annual Meeting, we began by confirming roles for the year ahead. We're pleased that Cllr Kathy Glanville will continue as Chair, with Cllr John Warr as Vice Chair, and committees have been refreshed to make sure we can keep things moving across all areas of parish life.

We also approved the Council's annual accounts for 2025/26, which reflect another steady year of managing parish finances. If you're interested, there will be an opportunity for residents to look through these during the public inspection period in June and July.

The Annual Parish Assembly was held on 18th May 2026, the presentation can be viewed online by visitng www.wanborough.info

On the practical side, there were a number of items residents may notice over the coming months

Tree Works Update

We would like to inform residents that tree works have now commenced on those trees identified in the recent tree survey.

These works have been approved by Full Council and are being carried out to ensure the ongoing safety, health, and management of our local trees and green spaces.

At the allotments, plans are progressing for fencing along the track, although we'll be speaking to neighbours and partners before any work begins. It's good to see continued investment in this well-used village facility.

Cricket Nets Official Opening

The Parish Council is pleased to confirm that the new cricket nets are now officially open for use.

The nets were formally opened by the Chair of the Parish Council, Cllr Kathy Glanville, marking an important milestone for local sport and community facilities. The new facility will provide a valuable space for players of all ages and abilities to practice and develop their skills.

This project has been supported through a range of funding sources, including a contribution from The Landfill Grant. The money has been made available through the Landfill Communities Fund (LCF) which is administered for Hills by Community First, the Rural Community Council for Wiltshire.

The Parish Council would like to thank all those involved in bringing this project to fruition and hopes the facility will be well used and enjoyed by the community.

We also discussed the Village Hall, and agreed that a meeting with the Hall Committee is needed to move conversations forward. This is an important community space, and we're keen to work together on its future.

You may remember we've been trying to recruit a parish handyperson. Unfortunately, our recent candidate has withdrawn, so we'll now look at next steps. This role is key to helping us stay on top of day-to-day maintenance jobs around the village, so it remains a priority.

On the planning front, councillors continue to review and respond to applications affecting Wanborough, including larger developments which may have a longer-term impact on the area.

And finally, we would like to remind residents that Councillors regularly hold a Coffee and Chat session at the Farmers' Market on the third Saturday of each month. This provides an informal opportunity to raise any issues, share concerns, or simply have a conversation about local matters. All residents are welcome to attend, and councillors look forward to seeing you there.

As ever, if there's something you'd like to raise or bring to our attention, please do get in touch.

Clerk@wanborough.info

WANBOROUGH SHOW SOCIETY Saturday 22nd August 2026 from 12 Noon

Included in this month's Lyden is the Wanborough Show Programme.

We have another great show planned for this year, please take a look through the programme as there maybe something that you can enter in the flower & produce show, or if you have a child there are some great children's craft activities that they can enter.

Full details are also on our website - **www.wanboroughshow.org.uk**

Liddington Parish Council

The May Parish Council meeting was held on 20th May. It began with the annual Parish Assembly at which the Chair's Report for 2025/6 was presented. The meeting thanked Clive Bunney, the outgoing Chair for his work on behalf of Liddington.

The Parish Assembly was followed by a Parish Council meeting. The minutes are available on the Parish Council website. Key updates are:

- Andrew Poppleton was elected as Chair and David Babington as Vice Chair for the coming year
- Road safety work is ongoing. The team driving this has been asked to attend the June PC meeting to present their plan
- The Council has agreed to revisit the Parish Plan that was produced in 2012
- There is an ambition to train residents in basic first aid and how to use the defibrillators in the village. David Babington will lead on this.

The Parish Council would like to thank Paul Bishop for repainting the two milestones on the B4192 and to Crown Paints in Swindon for donating the paint. They look fantastic.

Many thanks also to Lynda Hughes for brightening up the planters on Jubilee Gardens and at The Village Inn. They also look great.

Due to councillor availability, the June Parish Council meeting will be held on 24th June. An update will be provided in the next Lyden magazine.

If you would like to raise an issue or ask a question, please contact the Clerk via parishclerk@liddingtonparishcouncil.gov.uk

Laura Evans, Clerk to Liddington Parish Council

Liddington Parish Council

Chair's Annual Report

1 May 2025 to 30 April 2026

A Parish Pulling Together

The last 12 months have seen a step change in residents getting involved to make the Parish a better place to live, be it through opposition to the BioGas Station planning application, volunteering as part of the 'Liddington Can Do' team or supporting the Village Inn. This has been great to see and I hope it will continue and that more people will get involved. We are very lucky to live in such a wonderful place.

Village Appearance

Recently a resident commented that 'the village has never looked so good'. Keeping the place looking good is very much a team effort and I would particularly like to thank:

- **Adams & Watt** for continuing to do a great job cutting grass and doing general maintenance around the village. Richard Adams is very flexible and a pleasure to work with
- **Residents** for joining the two village clean-up days to collect litter and trim vegetation
- **Maurice Spillane** for mobilising and managing the volunteer group who have worked tirelessly to clear the verge alongside Purley Road towards Commonhead and plant trees, bulbs and foxgloves together with a 700m hedge
- **Clive Bunney** for rebuilding the two historic finger -post signs (one on Jubilee Gardens and one on The Street towards The Village Inn). The new ones look fantastic and will hopefully last for generations to come
- **Wiltshire Wildlife Trust** who have provided thousands of hedge saplings and 15 trees for the verge, together with support for the village volunteers to get them planted.

Given Swindon Borough Council's financial constraints, they are doing less and less for rural areas like ours. The Parish Council is trying to plug the gap where we can, for example, by paying for a private contractor to sweep the roads.

Hopefully residents enjoyed the Christmas Tree on Jubilee Gardens during December. The Parish Council was pleased to provide the tree and expect this to become an annual tradition. The new wooden bench on Purley Road below Jubilee Garden has been positively received. We are also pleased that the 3 new bins that we installed in the laybys on the Ridgeway Road are reducing the amount of litter that is being discarded.

Road Safety

Road safety is still a huge issue for residents. A sub-committee has been established under the leadership of Amy Cocker and Adrian Rogers. This team are working to collate the evidence that will allow new speed control measures to be trialled. Thanks to Amy and Adrian for their leadership on this important matter.

In the meantime, the two new Speed Indicator Devices are having a positive impact.

Planning

Following the objections submitted by the Parish Council and many residents, the **Bio-Gas HGV Fuelling Station** Planning Application was reviewed by (continued)

the Swindon Borough Council (SBC) Planning Committee in June 2025. There was a fantastic turn-out from residents at the meeting to object but ultimately the application was approved.

The Parish Council wrote to the CEO of SBC to complain about the way the meeting was conducted and in parallel sought legal advice regarding a Judicial Appeal. We engaged local experts and a KC from a prestigious London Chambers. This was funded by residents and the Parish Council. Two extensive legal letters were sent to SBC challenging the decision on legal grounds and threatening a Judicial Review. SBC rejected our challenge. It would have been prohibitively expensive for us take our fight any further and therefore we have reluctantly accepted the SBC decision.

The Parish Council has had contact with the developer and we will work with them to minimise the impact of the development when it starts.

We are now objecting to the proposed **Inlands Farm** development which we believe to be entirely inappropriate. Wanborough Parish Council are leading on this given the location but they have our full support.

Allotments

The allotments continue to be productive for those working them. The Parish Council has doubled the capacity of the rain water collection facility that was built a couple of year ago. Many thanks to Paul Harman for doing the work.

Communication with Residents

The Parish Council is delighted that we have reached an agreement with The Lyden Magazine such that it is now being delivered to every house in Liddington Ward and to anyone who wishes to receive it in Badbury Wick Ward.

We will be using The Lyden to communicate monthly updates on Parish Council activity. Many thanks to the Lyden Team and to the Liddington Residents who deliver the magazine each month.

The Parish Council Website www.liddingtonparishcouncil.gov.uk remains the primary source of information relating to Parish Council activity whilst www.liddington.org continues as the Village website for a broader set of information and activities.

Your Parish Council

During the year, we said farewell to Cllr Affleck and Cllr Pike and would like to thank both of them for their contributions. We welcomed Cllr Hayter and are delighted to have him on the team. Given Cllr Pike's resignation, we are very keen to have representation from the Badbury Wick Ward and will be actively trying to recruit someone. We would also like to increase the diversity on our team and will be looking for appropriate volunteers.

I would also like to record our thanks to our outgoing Chair, Clive Bunney. Clive has been on the Parish Council for 10 years and Chair for the last 2 years. He has given a lot of time to the Parish over the years and has left his mark on the place through the signposts he's renovated, the benches on the playing field that he has restored, the speed indicators he has installed and the play equipment that he regularly inspects and maintains. Many thanks Clive for everything you have done.

I will close by thanking all our Councillors for the time and energy they put into the village and to our Parish Clerk, Laura Evans, who works incredibly hard for us and makes sure we are on top of everything.

Andrew Poppleton
Vice Chair – Liddington Parish Council (2025-26)
On behalf of the Chair

Redlands Grove Residents & all those who were hoping for a shop!

The developer (Bellway Homes & Vistry) have submitted two planning applications to Swindon Borough Council that are asking to amend and change the condition and S106 agreement which could ultimately impact on the delivery of the shop at the Redlands Grove, Village Centre. The two applications are as follows:-

S/RES/26/0682 - Variation of Conditions 1 (Approved Plans), 2 Materials (Buildings), 3 Materials (Hard Landscaping) and 4 (Landscape and Public Realm) from Planning Application S/RES/23/0128 - Reserved Matters Application (following outline planning permission S/OUT/16/0021) for the Village Square, Convenience Retail Unit, 8 Apartments, Associated Servicing, Parking and Landscaping.

S/S106MD/26/0641 —Application to amend the Section 106 Agreement associated with outline permission S/OUT/16/0021 to replace the affordable housing units with open market units at the Redlands Shop and to change the delivery, marketing and fallback provisions for the Redlands Shop.

They are stating that the amendment provides them with "Fallback provisions" but It is clear what their intention is from the covering letter, if permission is given then this will make it easier at a later stage to convert the shop site to flats instead.

Your Ridgeway Ward update from Gary Sumner & Matt Hinton from your Borough councillors for Chiseldon & Ridgeway Ward

Swindon Borough Council: A brief update that after the Annual Council Meeting Gary Sumner was elected to be Leader of Swindon Borough Council (which the Conservative Group will run as a minority administration) and Matt Hinton is Cabinet Member for Community Engagement, Safety and Services. We will continue to serve you as Ward Councillors diligently.

Rural Verge Cuts: We are aware that rural verge cuts on sight lines are not yet completed and will have dates in the next few days. This is a key part of keeping our residents safe. We already had the Callas Hill crossroads cut for safety reasons.

Southern Connector Road: The Council is hoping to open the Southern Connector Road (SCR) to construction traffic later this calendar year following essential remedial works to the bridge deck, which are both complicated and sensitive. These works will be out to tender shortly and the Council hopes work will begin late summer or early autumn. It is not possible to set a confirmed start date until the contract has been awarded.
Once works are completed, construction traffic servicing the Lotmead development will access the SCR via the Pack Hill roundabout. The road will afford a straight-ahead movement only, which means lorries can't turn left or right at the Wanborough Road junction, helping to alleviate construction traffic from Merlin Way.
The Council is continuing to work closely with developers to monitor construction traffic and a new 20mph speed limit for Merlin Way is being implemented via a Temporary Traffic Regulation Order. Signs have now been installed.

Please call Gary on 07855957133 or Matt on 07553337540 or email: Matt@ridgewayvillages.co.uk **or** gary@ridgewayvillages.co.uk **Ridgeway Villages website:** www.ridgewayvillages.co.uk

Liddington 100 Club

The winner for May is Mrs Sandra Middleton - congratulations Sandra .

Caroline Tams

Liddington Village Fete – June 13th 2026

What a fun day that was!

We were lucky to have a perfect summer day for our Fete this year - so many people thought the same and came along to enjoy a traditional village fete at its best!

Proceedings were officially opened by Sir Robert Buckland who gave an uplifting and supportive short speech, which set the tone for the afternoon.

The BBQ did a brisk trade with excellent juicy burgers and sausages supplied by the Three Trees Farm shop, which were much commented on, and enjoyed. As it was the perfect day for enjoying a pint in the sunshine, many thanks should be extended to Adam and Alyx from the Village Inn for providing the mobile bar. In addition, refreshment could be found in the tea tent where a team of ladies were busy serving delicious home-made cakes and cream teas – thank you to all who helped and all who baked!

There were many entertaining things to do, particularly for children, with an inflatable obstacle course, bouncy castle and a whole marquee full of traditional fete games to be enjoyed.

The soundtrack to the afternoon was provided by the fantastic Old Friends duo and Fran Daisy, whose live music gave the perfect happy upbeat vibe to the afternoon.

The beautiful church of All Saints was open and many visited to explore the bell tower and admire the flower displays. Thanks also to the bellringers for providing welcoming and closing bells.

A great many people were involved in the organising and running of the fete, who worked before, during and after the fete – donating their time and energy as well as donating things for the raffle and tombolas. For this we are very grateful – thank you all!

Finally, a huge thank you to everyone who came and supported the Liddington Summer Fete! What a day! We hope you enjoyed it as much as we did!

Sarah Poppleton

Wanborough Toddlers Stay and Play Group

A huge thank you to the Wanborough Scarecrow Trail for surprising us with a £200 donation! We have enjoyed choosing new toys already, especially ones to enjoy in the garden, such as sea animals for the water tray, water shooters for hot weather, and giant bubble wands. Children and adults alike have been enjoying making and popping huge bubbles! It's great to see all the ages having lots of fun together.

We have a messy play arts session coming up, run for us by ArtVentures. And on 21st July, we have booked an exciting group visit to Roves Farm with a tractor ride! (We won't be in the village hall that week). Coming up, we also have plans to work on crafts to enter into the Wanborough Show.

Each week we have had a lovely turn out recently, with often around 25 to 30 across the age range from newborn to school starters, accompanied by their parents, grandparents or carers. It's a really friendly group!

We're running every Tuesday, 9.30-11.30am, at the village hall. We will keep running throughout the school holidays, when older siblings are welcome too.

At the moment we are running a second session each week for the children starting at Wanborough school in September, which they voted to call the Sunflowers group. Most of the class have been along: they're learning each other's names and playing nicely together already. They have been very lucky to have their lovely new teacher Miss Corbyn come to visit a couple of times, to help the children get to know her too before their settling in sessions. They're so excited about starting school!

Wanborough Toddlers

You're Invited to Our School Fete!

Join us for a fun-filled day at our Wanborough Primary School Summer Fete, with games, stalls, refreshments and activities for the whole family.

We are always looking for volunteers to help us set up, pack away or run a stall on the day. If you can spare some time, please email us at ptacommittee@googlegroups.com.

We would also love to hear from any local businesses who may be able to donate raffle prizes or sponsor prizes for our raffle. If you can help, please contact us at ptacommittee@googlegroups.com.

Donations for our adult and children's tombolas are also greatly appreciated. Examples include unopened toiletries, chocolates, bottles, gift sets, toys, games, books, unwanted gifts and other new items. Donations can be dropped off at the school office during school hours, or email us at ptacommittee@googlegroups.com and we will arrange collection.

Thank you for supporting our school community – we look forward to seeing you at the fete!

Wanborough Primary School PTA

Updates from Hooper's Field Sports Clubs

Wanborough Bowls Club

NEW MEMBERS ARE ALWAYS WELCOME

OF ANY AGE AND ANY ABILITY

We are a well-established and friendly local bowling club in a village location within a beautiful and tranquil community woodland setting.

For those using the terrain and unsure of the rules they can be found on the Club website www.wanboroughpc.com

Vince Witts (Chair)

WANBOROUGH TENNIS CLUB

It's the time for tennis

Tennis is on everyone's thoughts at the moment. The tournament at Queens had a really exciting finish with Emma Raducanu just pipped for the title and Wimbledon fortnight starts at the end of June.

Whether you've never played tennis or are having a break from playing, now is the time to pop down to Hoopers field. Wanborough Tennis club is a friendly, inclusive tennis club that provides social games for those who just want to have fun and for those who are more competitive there are weekly men's, women's and mixed matches. We are also lucky to have top quality coaching from our resident coach, Becky Watts, for those who want to improve.

Membership discount

To mark this, we are offering a **10% discount** for an adult, senior or family who take out a new membership during the two weeks of Wimbledon (29th June to 12 July). Please contact **wanboroughmembers@gmail.com** to apply.

The Club is also holding a Family Doubles Tournament on **4th July** organised by Becky and there will of course by strawberries and Pimms to refresh the players and supporters! In addition we are holding a Wimbledon sweepstake with a £50 prize for the winner of the men's and women's singles or a full term of Wednesday night coaching sessions.

Fantastic club news

Many congratulations to **Samridhi** for winning the Nationals event at the National Tennis Centre at Roehampton last week. She is now officially **No 1 in her age group** in the country. This is an amazing achievement. Really well done Samridhi and to her coach, Becky .

Also very well done to Stan, Charlie, Annabel, Chloe, Shaurya, Fynn, Thomas, Eliza, Lily and Iona who represented the Club last month at Royal Wootton Bassett Tennis Club. They all played so well and represented the club wonderfully.

In other news, the league matches are going well. It's great to see such a range of ages taking part with particular thanks to the teenagers for helping get some excellent wins !

Summer Camps

A reminder that Becky will be holding Summer Camps every Monday, Tuesday and Wednesday starting on Monday 27th July. The cost will be £26 per day for members and £28 for non members. Please get in touch with Becky for further information and to register.

All the information is here : **https://clubspark.lta.org.uk/WanboroughTennisClub/Membership/Join.**

BISHOPSTONE WITH HINTON PARVA WI

Once again it was the middle of June and for your local WI that meant it was 'show time'. The annual Handicraft and Flower Show was held in Bishopstone Hall on a rather wet and miserable day but spirits were soon lifted by the sight of colourful flower displays and wonderful home baking.

The annual show is a traditional event that has been in existence for many years, and is an opportunity for WI members to showcase their many varied talents and skills whether it be baking, knitting, painting, craft, flower arranging or photography. This year's floral art classes included 'An exhibit to celebrate the Commonwealth Games' and 'Can Can' an exhibit using tins or cans. The photography classes included 'Let's Celebrate' and 'Mother Nature at her finest.' The creativity and ingenuity of our members never fails to impress, and year after year they come up with different and innovative ideas.

Bishopstone school pupils were also involved in the show and this year their entries included Uffington White Horse paintings and clay work as well as some colourful paintings of the planets. Members of the wider school community came along at the end of the school day to view the entries.

The difficult job of judging took place in the afternoon, and in the evening there was an 'Open House' for members, family, friends and other visitors. This was a chance for everybody to see who the winners were and to offer their opinions as to whether they think the judges made the right decision…….or not! The cups and trophies were given out to the worthy winners.

The evening concluded with a raffle and the traditional auction which always provides a lot of hilarity and some fierce bidding. It's always a good evening but this year several people commented that this was 'the best show ever'. Well done to all those WI members who worked hard to make the event so successful and it won't be long before planning starts for the 2027 show.

1st Wanborough Scout Group

Sunshine, adventure and plenty of laughter made for a memorable bank holiday weekend, as 1st Wanborough Scouts held their family camp near Bristol. Scouts, Cubs, Beavers and Squirrels, along with their families, enjoyed a festival-themed weekend packed with activities.

Three-year-old Emily, camping with her Scout Leader Dad, said her favourite parts were cooking chocolate cake in oranges over the campfire, exploring the tunnels and low ropes course, and sleeping in her tent with Daddy. She's already counting down the days until she can join Squirrels when she turns four!

There was no shortage of excitement, with go-karting, rifle shooting, tomahawk throwing, archery, yoga, a giant water slide, crafts and a nature trail keeping everyone busy. Campers also made colourful bunting to decorate their tents, while the arrival of ice cream with the food delivery was greeted with particular enthusiasm!

In the evenings, everyone gathered around the campfire for songs and marshmallows, and held a silent disco, where rock anthems competed with cheesy classics for the title of favourite playlist.

Family camp perfectly captures the spirit of Scouting: trying new things, building confidence, making friends and creating lasting memories. A huge thank you to all the volunteers and families who helped make the weekend such a success. Plans for our next camp are already underway!

Redlands Grove Residents & all those who were hoping for a shop! (Continued from page 8)

An extract of the covering letter for both applications is as follows:-

The Deed of Variation will also amend the existing Redlands Shop provisions. The retail unit itself is to be retained as approved; however, amendments are proposed to the associated delivery, and fallback provisions in the Section 106 Agreement. At present, the Section 106 Agreement requires the Redlands Shop to be made available for sale or letting on the open market prior to the 300th occupation, followed by a two-year marketing period at Market Value. If the shop cannot be sold or let during that period, it must then be made available for community use and offered to a body nominated by the Council, with the existing provisions allowing six months for nomination and one year for completion by the Council's nominee.

The proposed Deed of Variation will amend these provisions by reducing the open-market marketing period to 12 months and reducing the Council's subsequent nomination/response period to 1 month – this is due to the applicants marketing the site for nearly eighteen months with little demand. However, in recognising fluctuating market conditions, the applicants would like to build in flexibility to enable an alternative default position, should no further interest be pursued in the next few weeks. If no suitable party can be secured following the Council's nomination process, the owner would then have the ability to submit a subsequent planning application seeking residential use of the unit. The Deed of Variation is therefore directly related to the delivery and long-term flexibility of the reserved matters scheme, but it will be progressed as a separate legal agreement alongside the determination of this Section 73 application.

Comments can be submitted to SBC Planning department by e-mailing - **SBCDC@Swindon.gov.uk** - FAO - Andrew Guest (Planning Case Officer) - Quoting planning reference numbers on page 5)

A shop was promised as part of the original planning consent, let's not allow them to avoid delivering it.

The Road Not Taken

I published my first poem when I was sixteen and still have poetry books I bought from street barrows in those days. I was informed, active and enthusiastic about poetry very early and it gave me a lifetime of stories. Here's one.

I started work at eighteen in the Civil Service and a year later was invited to apply for a university scholarship. At the final interview, the panel chair saw on my CV I liked poetry and got stuck in.

"How would you rate WH Auden?" he smiled to the amusement of the other panellists.

"Not very highly," I responded cautiously.

He went purple as the others smirked and he literally shouted "What? What? Why not?"

"Well, he has great first lines," I declared cockily. "However the other lines are like the first line, unlinked and incoherent. It made him bookish, but poetry should be accessible, written to tease at every unpeeling, and his poems don't."

The old boy had a right go at me. I gave as good as I got, quoting Auden in the process, and we ding-donged for a while until I said smiling: "Hang on, sir, this seems like an ambush. I expected an interview." The others jumped in and said to give the lad a chance, that the Civil Service wasn't recruiting poets.

Needless to say, I didn't get the scholarship. I found out later from one of the panellists that the chair had written a book about Auden.

I often think about that, how my life could've been very different. As Robert Frost put it:

I shall be telling this with a sigh
Somewhere ages and ages hence:
Two roads diverged in a wood, and I —
I took the one less travelled by,
And that has made all the difference.

My arrogance was a pyrrhic victory at the time but looking back I'd a better career that suited my wandering spirit. I got a degree by night study, married, emigrated to Zambia and made stories there. When we came home, I started my first software company and never looked back.

I certainly wouldn't have found Liddington! And look now, the special pleasure I've had reading with others every Christmas in the Village Hall.

And this year I'd a hoot with Nicola and her young cubs on St. Patrick's Day in Wanborough. Those children were my most challenging audience ever – to the huge amusement of their mothers, I might add.

At the end of my session with them, I said:

"Don't forget to say "hello" when you see me."

One of the children responded: "Maurice, we're not allowed to speak to strangers." Brilliant!

I'd prefer those gems to WH Auden any day, so back to Robert Frost:

Two roads diverged in a yellow wood,
And sorry I could not travel both
And be one traveller, long I stood
And looked down one as far as I could
To where it bent in the undergrowth;

Then took the other.

Wanborough during WW2

Following previous articles about the men on the memorial in St. Andrew's Church, Tony Honeyman from Ashbury, who has been researching all the names on the memorials at the Ridgeway churches, has been in touch. After comparing notes, Tony's researches at the GRO at Kew has revealed two men with records that show connections to Wanborough.

Desmond Adams

Desmond Adams died of wounds aged 19 years when his unit, No 6 Commando, came under fire from two light machine guns (LMGs) in Pill-Boxes at Sword Beach during Operation Overlord on D-Day, 6th June 1944.

His father Stanley married Daisy England in Lincolnshire and Desmond was born there in 1925. By 1939 Desmond was living with his parents Stanley and Daisy Adams and two brothers at Chewton Mendip, Somerset. The 1939 Register records Stanley as a "Milkman (Journeyman) Retail" and the three boys were at school.

The Register was amended later to show that when he left school Desmond was working as a "Milk Lad", probably with his father, and records show he enlisted in the Dorsetshire Regiment before transferring to No 6 Commando prior to D-Day.

Desmond is buried at Hermanville War Cemetery, France, and the Commonwealth War Graves Commission (CWGC) record shows **"Son of Stanley and Daisy Adams of Wanborough, Wiltshire."**

Full Name	ADAMS, DESMOND
Date Of Birth	1925
Age	19
Birth Place	Lincolnshire.
Nationality	British
Resided Place	Dorset.
Date Of Death	6 Jun 1944
Information	SON OF STANLEY AND DAISY ADAMS, OF WANBOROUGH, WILTSHIRE.
Rank Name	Private
Service Number	14422299
Died in Active Service	Yes
Service	British Army
Regiment	Dorsetshire Regiment

Is it possible that the couple moved due to Stanley's job? Unfortunately there are no other official records nor any local memories of Stanley and Daisy in Wanborough, and it appears their final move was to Bournemouth.

Please do get in touch if you have any details of Stanley and Daisy, or Stan the milkman which would help explain why and when they were living in Wanborough

The 8th Wanborough Beer & Cider Festival

We had an awesome 8th Wanborough Beer & Cider Festival this year. Thank you to everyone who supported this amazing village event.

Many of you will be interested in the fastest selling ales and ciders, visitors favourites, and the most liked sponsor's beer and cider names. Here are this year's nominees.

Please note, if you have instructed another estate agent to market your home on a sole and/or selling rights basis, the terms of that contract must be considered in order to avoid two commissions becoming payable.

The Ridgeway Gardening Club

On Wednesday 10th June the Ridgeway Gardening Club welcomed Ben Newman from Hinton Parva Water Garden, who brought with him a wealth of knowledge on designing and creating garden ponds. Over the years his family has been in the business, Ben has seen a clear shift: ponds are no longer just ornamental features, but thriving wildlife havens. With that in mind, he opened with one strong piece of advice if you're aiming to encourage wildlife, avoid keeping fish, especially the more destructive species. The wrong fish can undo years of careful planting and balance.

Ben began by guiding us through the all important question of where to place a pond. Sun and shade, overhanging trees, and falling leaves, the style of our gardens, formal or cottage style all play a part naturally suggesting the pond's position, shape, style, whether soft curves or crisp straight edges. "Think of your pond as another flower bed," he said, reminding us that its outline and planting should blend seamlessly with the rest of the garden.

Depth matters too: aim for 24 inches at the deepest point, with a shelf 8 inches below the surface for marginal plants. When filling the pond, rainwater is ideal, though most of us will inevitably reach for the hose. Tap water, Ben noted, contains chemicals and will take time to settle into a natural balance.

Once the pond is full, the real fun begins with the plant selection. Ben recommends 50% coverage of water lilies, providing essential shade for wildlife. Lilies sit in the deepest part of the pond, opening during the day and closing at night. As they mature, they reward you with even more flowers, though they do need dividing every 3-5 years.

Next come the oxygenating plants, which should cover around 30% of the pond. Hornwort is a favourite, perfect for smaller ponds as it doesn't require baskets. These plants are the quiet workhorses of the pond, releasing oxygen, absorbing excess nutrients, and creating habitat for water grubs, which in turn feed frogs, toads and newts.

Marginal plants sit on the shelf and bring structure, colour and softness to the pond edges.

Maintenance, Ben assured us, is much like tending any other flower bed. A healthy layer of silt provides nutrients and habitat, and plants should be divided in rotation to keep everything balanced.

And finally fish. If you must include them, avoid Goldfish, Koi and Carp, which are notoriously destructive. Better choices for a wildlife friendly pond include Golden or Green Tench, Rudd, or Stickleback.

Ben's talk left us all inspired, armed with practical know how and a renewed appreciation for the rich ecosystems a well designed pond can support.

We extend our sincere thanks to Ben Newman for his time, expertise and the passion he brought to his talk. He invited all members to visit his Water Garden site in Hinton Parva, where visitors can explore a range of ponds and plants first hand and speak to him or a member of his knowledgeable team for expert, personalised advice

Diary Dates

Saturday 25th July : 2pm : Guided tour of Lower Farm, Bishopstone.

The Garden club have been offered a wonderful opportunity to visit the Eastbrook No-Dig organic vegetable beds and Agroforestry project at Lower Farm on the edge of Bishopstone. Helen Browning will give a tour of the Agroforestry and Pete Richardson will show the vegetable growing operation. Non-members are also welcome to join us please contact the club on info@ridgewaygardeners.co.uk to let us know you would like to join. Lower Farm is 30 minutes walk from the village centre, and we will also set up a car sharing pool as parking on site is limited.

Sunday 9th August : 2.30 pm Open Garden : The Gables, High Street, Wanborough.

Byron and Jean Carron will be once again opening their beautiful garden in aid of the Swindon Stroke Support Group.
