1	The school, if gets any larger, will have an impact on the road outside it. Traffic is always bad during the drop off/pick up times. Road is too small /parking terrible, a nightmare to get down it and have seen many road rage incidents with people trying to use it over the years	1/5/2015 11:58 AM
2	wanborough school is a village school and should remain that way	1/5/2015 11:29 AM
3	We dont want any industrial sites within the villages	1/5/2015 11:15 AM
4	17: Any development/enlargement would be disastrous 18: Rings hollow, when garage was pulled down for MORE HOUSING	1/5/2015 10:03 AM
5	REGARDING WANBOROUGH PRIMARY SCHOOL, IF IT WAS ENLARGED BECAUSE OF THE NEW EASTERN DEVELOPMENT AREA, THE BEANLANDS WOULD BECOME MORE CONGESTED WITH TRAFFIC FLOW AND PARKING PROBLEMS. THIS HAS TO BE A NO, NO!	1/5/2015 6:23 AM
6	any expansion of the existing primary school will further increase already congested and polluted area. already a very restricted site with no on site facilities and little playing field	1/5/2015 6:04 AM
7	If the new development needs this then so be it,	1/5/2015 5:22 AM
8	The reason why the existing school could not expand is the problem with traffic flow. The location would require easy flow in and out of the school.	1/5/2015 4:59 AM
9	NO	1/5/2015 4:44 AM
10	We think that only small local businesses would be suitable so as not to change the character of the village.	12/15/2014 3:30 PM
11	Encouraging local employment will be good but it needs to be done in a way that is sympathetic to the village and useful to businesses	12/15/2014 2:49 AM
12	Wanborough needs a small village centre, like a coop and chip shop.. suggest development of the green field (waste land) next to the school	12/14/2014 2:40 PM
13	Children in Wanborough and with siblings at the school should always be given priority over children in the new development, no exceptions	12/14/2014 12:27 PM
14	THEIR IS O SPACE TO EXPAND WANBOROUGH SCHOOL SO THE NEW DEVELOPMENT SHOULD HAVE A PRIMARY SCHOOL BUILT AND HAVE DORCAN AS IT'S FEATURE SVHOOOL SINCE RIDGEWAY IS WANBOROUGH'S FEATURE SCHOOL UNLESS IT EXPANDS.	12/14/2014 9:39 AM
15	Q17 on line does not have a 'no opinion' choice which the paper version has. My answer is 'no opinion'	12/14/2014 7:21 AM
16	A decision to allocate land for employment outside of the NEV area is a matter for local choice. We are not clear why question 19 refers to the issue of the 'arts' land what is intended. In terms of school provision, it is the case that new school provision would also be of interest to Wanborough residents and vice versa.It is not a simple situation wherby NEV education provision is to be used solely for NEV residents nor is it the case that Wanborough school can only be used by wanborough residents. New school place provision will need to have regard to the catchment as a whole.	12/14/2014 7:06 AM
17	Wanborough is a dormitory village, there is nothing to be gained and much to be lost by encouraging local employment, more noise, more traffic	12/13/2014 11:08 AM
18	ROAD ACCESS NEAR THE PRESENT SCHOOL IS RESTRICTED AT CERTAIN TIMES BY PARKED CARS - DUE TO PARENTS WAITING AND " DROPPING OFF CHILDREN"	12/12/2014 4:33 AM
19	Employment areas work better in central Swindon areas, commuting to Wanborough wouldn't be popular for most small business	12/12/2014 1:02 AM
20	The road network around Wanborough school cannot support additional traffic that would generated if school was extended /enlarged which itself would also further inconvenience local residents	12/10/2014 11:48 AM

21	The Council should mandate that any developers designate land for use by small local businesses, but also the Council should support such SME's by reducing rates by providing business rate relief.	12/10/2014 1:22 AM
22	If there is an issue with employment already, where are the folk in the new houses going to work?	12/9/2014 2:02 PM
23	Wanborough school should not have to cater for children from the Eastern Expansion as it will have a large impact on the amount of vehicles coming into the village. The new school should be built on the Eastern Expansion.	12/9/2014 5:54 AM
24	Wanborough is and always has been a village, which I and I guess many other people want to keep as a village. If development and expansion take place then we will sacrifice our identity and become just another Swindon estate	12/8/2014 11:47 AM
25	agree but sensitive to the environment not businesses attracting lots of increased traffic, lorries and deliveries	12/8/2014 10:43 AM
26	agree but sensitive to the environment not businesses that attract increase traffic, lorries and deliveries	12/8/2014 10:36 AM
27	I would have thought that if there were issues with employment in the area, these should be resolved before putting up a load more houses.	12/8/2014 5:31 AM
28	It is key that the Village remains aligned to Ridgeway School.	12/7/2014 2:03 PM
29	I should like to think that if employment opportunities are provided, they should be for local people, preferably the unemployed of the village. Leave Wanborough School as it is - it is for the village and parish.	12/5/2014 5:40 AM
30	Not a lot of room for expansion of the current Beanlands site, perhaps a second building can be constructed and the two sites be used for a 'lower' and a 'senior' group.	12/4/2014 7:38 AM
31	Small businesses operate successfully in the area already without designated land for such use.	12/3/2014 2:07 PM
32	Concerned that if village school expands the road system is not equipped to cope with increase in cars dropping off and parking	12/3/2014 10:21 AM
33	Q17 is difficult to answer. The school is not what it used to be and an additional or expanded intake may have very positive effects. However, expanding it on its current site is not feasible. Expanding would attract more finance and the school could benefit from better/richer teaching experience. A village like Wanborough does not need to offer employment opportunities.	12/2/2014 1:08 PM
34	A bigger school would be better for special needs kids but impact on traffic would be too much and would result in gridlock.	12/2/2014 1:15 AM
35	Wanborough school has only spaces in year 6, we have just moved to the village with the promise of a great local school but unless you have under5s you will not get your child in.	11/28/2014 2:26 PM
36	ReQ.s 18 & 19. there needs to be a strict limit on such designation and, prior to adoption, the views of residents who live in proximity to the proposed areas should be sought and honoured	11/28/2014 8:14 AM
37	There will always be a tension here. Businesses require infrastructure, including fast internet access, faster web, but employment = traffic. However, other than farming there are no substantial well paid employment opportunities so commuting is necessary.	11/28/2014 7:25 AM
38	No	11/26/2014 4:14 AM
39	No	11/23/2014 2:52 PM
40	Yes. I think the traffic around Wanborough school is already very busy at school times with parents and carers, expanding the school would make traffic around the school dangerous for children and very difficult for local residents.	11/23/2014 10:31 AM
41	If we have any of the above, ie another school etc., we are creating more and more traffic through the village, it will no longer be a village that we all moved to. It is already a "Rat Run" at school times, I don't think parents are aware of Speed Limits and walking children to school!!!!	11/22/2014 4:49 AM
42	enlarging the primary school in the village would result in greater traffic movements in the village.this needs to be discouraged	11/22/2014 4:19 AM
43	places at local school should be offered to children living in the village as a priority over children from outlying areas	11/19/2014 9:45 AM
44	I don't believe there is any way Wanborough school could be safely expanded to meet the needs of new children in the area without being to the detriment of the children already there	11/19/2014 2:51 AM

45	Secondary school provision remains a concern given the low results seen at the available schools. If a link to Ridgeway was lost we would not remain in the village	11/18/2014 3:26 PM
46	Wanborough school has smaller class sizes now and has a lot of students from outside the area, the school shouldn't need to expand but just refuse outside families	11/18/2014 11:33 AM
47	Wanborough is a residential village. It does not need a business park, even one for small businesses. As regards education, we should be encouraging parents to walk children to school, rather than increasing the size of the primary school so that children are driven in into the village each day.	11/17/2014 3:48 AM
48	No	11/16/2014 6:13 AM
49	The village has excellent transport links and more provision for business (other than pubs) would be excellent.	11/15/2014 11:48 AM
