1	Wanborough road ditches need to be dug out more frequently to stop flooding on the roads lots of water and debris come down callas hill when it rains hard and i am forever unblocking the drain outside my house to stop flooding	1/5/2015 12:00 PM
2	wanborough road and tthe marsh always flooding in harsh weather and should be looked into asap	1/5/2015 11:31 AM
3	The road from wanborough to covingham wants resurfacing and ditching both sides	1/5/2015 11:17 AM
4	Any flooding would be made worse by eastern expansion	1/5/2015 10:03 AM
5	The fields around our house regularly flood as does Horpit itself. That needs to be taken into consideration	1/5/2015 8:23 AM
6	AFTER A HEAVY SHOWER THE DRAIN COVERS ON KITE HILL OVERFLOW WITH WATER TO THE EXTENT THAT YOU CAN NOT SEE IFF THE COVERS HAVE BECOME DISPLACED I.E LIFTED. THIS COULD BE VERY DANGEROUS TO ROAD VEHICLES AND PEDESTRIANS ALIKE. I BELIEVE THIS WAS LOOKED INTO ABOUT TWO YEARS AGO BUT THE SITUATION IS AS BAD AS IT WAS THEN	1/5/2015 6:25 AM
7	wanborough road/buryfield/the 'Marsh' is formermarshland and flood plain. clearly it floods as it was ever intended to !!	1/5/2015 6:05 AM
8	WANBOROUGH ROAD/ERMIN STREET IS ALWAYS AFFECTED DURING VERY WET WEATHER	1/5/2015 5:34 AM
9	Drains etc. need to be kept clear to allow water to drain from roads.	1/5/2015 4:38 AM
10	Sort out flood issues in the village, maintain ditches and don't build on flood plain	12/16/2014 3:29 AM
11	Don't build on flood plains, sort out the village flood issue before you build any more houses otherwise you are asking for problems	12/16/2014 3:09 AM
12	The Local Authority and Thames Water must be 'kept on their toes' to maintain efficient drainage. Equally, the expansion plans MUST not be allowed to increase flood risk to Wanborough and adjacent areas.	12/15/2014 3:36 PM
13	The flooding near the Village inn at Liddington from the drain on the road should be addressed	12/15/2014 5:28 AM
14	Any development must not increase the risk of flooding.	12/15/2014 3:55 AM
15	Ditches have been allowed to fill up with silt... I have not seen these cleared out what so ever.. this MUST be done ASAP or there is risk of flooding	12/14/2014 2:42 PM
16	Flooding on the marsh is affected more by the houses on St Katherine's place and the further 4 new houses to be built on The Marsh/burycroft	12/14/2014 1:53 PM
17	Allowing more houses to be built on the marsh, a well-known flood plain is ridiculous, especially when other applications for planning permission in more protected areas have been turned down	12/14/2014 12:28 PM
18	Improve drainage and clear the existing water ways.	12/14/2014 12:19 PM
19	KITE HILL'S ROAD SHOULD BE MAINTAINED SINCE IT COMES THROUGH PEOPLES DRIVEWAY	12/14/2014 9:41 AM
20	Flooding issues need to be sorted before building any more houses	12/13/2014 11:14 AM
21	Loss of access to Covingham and A419 in both directions due to flooding	12/13/2014 11:09 AM
22	I have experienced problems with flooded roads and surface water so I wonder what effect further development would have	12/13/2014 10:59 AM
23	Stop building on flood plain, and keep ditches regularly maintained	12/13/2014 10:53 AM
24	I understand a lot of properties that are being built will be on a flood plain	12/13/2014 9:25 AM

25	FLOODING ALONG PARTS OF WANBOROUGH ROAD. HEAVY RAIN CAUSES MUCH RUNNING WATER DOWN KITE HILL. I HAVE EXPERIENCED FLOODING TOWARDS THE BOTTOM OF KITE HILL	12/12/2014 4:43 AM
26	The drains need cleaning out and the roads need sweeping more often	12/12/2014 1:10 AM
27	Bus service in Marsh	12/12/2014 12:51 AM
28	once couldn't get to town due to flooding between lower and upper wanborough.few years back,	12/10/2014 7:37 AM
29	Again such development as Wanborough gardens has yet to provide sufficiently for local flooding. Any new developments must provide in any planning flood mitigation plans.	12/10/2014 1:23 AM
30	Drains need keeping clear	12/9/2014 2:04 PM
31	Drains must be cleared regularly as often it is a blocked drain that prevents water draining away and causes flooding	12/9/2014 5:57 AM
32	Stop building on flood plain	12/9/2014 5:49 AM
33	Not sufficient drainage for flash flooding	12/8/2014 2:38 PM
34	The road between Covingham and wanborough being most obvious example b	12/8/2014 12:54 PM
35	Daughter in Covingham got flooded out of her house for over 6 months	12/8/2014 11:29 AM
36	Kite Hill, heavy debris left at junction of Jenner Close and Kite Hill after rain. Manholes overflow and water freezes on the road in the winter	12/8/2014 11:16 AM
37	I feel we need to address this before building more houses	12/8/2014 11:07 AM
38	Flooding in the village needs to be sorted before any more houses are built	12/8/2014 11:03 AM
39	Only publish information which is to the benefit of the Village and its business and home owners.	12/7/2014 2:10 PM
40	Proposed developments which would take place on the floodplain are a concern as they may increase run off due to impermeable surfaces which may further put at risk area of the village which have not previously been prone to flooding.	12/7/2014 12:55 PM
41	Once they build on the flood plains, where will the flood water go???	12/5/2014 11:38 AM
42	My garage, near the top of Callas Hill, was flooded this year because of the high water table, and waste water pouring off the fields.	12/5/2014 5:43 AM
43	need to maintain the ditches in the village to prevent flooding	12/4/2014 10:58 AM
44	The road surface on Waborough Rd/High St is in poor condition following heavy rain in November.	12/4/2014 9:06 AM
45	Land owners, (Taylor Wimpy) have not done enough previously in the fields around Springlines and Rodway in regards to digging trenches that feed into the stream that runs down the East side of Kite Hills, perhaps a larger underground infrastructure be put in place to deal with storm surges.	12/4/2014 7:40 AM
46	Dig the ditches	12/3/2014 2:07 PM
47	Local roads seem to be much better of late when it rains heavily	12/3/2014 10:22 AM
48	Flooding is already a problem, and I am very concerned that future development will exacerbate the situation.	12/2/2014 9:59 PM
49	Clear ditches around the village, regular maintenance of gullies and drains	12/2/2014 4:07 AM
50	Whenever there is very heavy rain the road High Street at its junction with Rotten Row floods	12/2/2014 3:59 AM
51	Wanborough road is the worst area - the common head roundabout has been much better the last few years.	12/2/2014 1:16 AM
52	Flooding of the road, land and properties, on The Marsh and Burycroft is a known phenomenon, only made worse by recent - and imminent - development. It is essential therefore that no more development be permitted in this area of the parish and further, if and when a 'bypass' is built, additional flood prevention measures must be incorporated using natural means i.e. Flood meadows, ponds, stream ways and, in the longer term, the Wiltshire & Berkshire Canal	11/28/2014 8:22 AM
53	had to pass through or around it along Lower Wanborough Road/The Marsh and occasionally on Wanborough Rd to Covingham	11/28/2014 7:27 AM

54	Flooding in The Marsh appears to be continually under discussion but never actioned. The increased volume of traffic, particularly large vehicles including articulated lorries is making the problem worse due to the damage to the roadside drainage ditches. Despite the reports generated by housing development companies the additional houses already built in The Marsh have increased the flooding problems. We suspect the recent approval of the four large house to be built in The Marsh \ Burycroft will further add to our woes.	11/27/2014 6:58 AM
55	The Marsh is so called for a very obvious reason	11/27/2014 6:37 AM
56	Regular road flooding on Wanborough Road to Covingham could easily be prevented by cleaning out drainage gullies into ditches at flood locations	11/26/2014 4:16 AM
57	In Wanborough I don't tend to see many floods and I haven't done for a while.	11/24/2014 11:16 AM
58	Lotmead will require a flood defensive solution	11/24/2014 8:39 AM
59	The Marsh is named as such for a reason. better maintenance of hedges, ditches and run offs would help.	11/24/2014 6:38 AM
60	Since the Ditches and soak always have been maintained the problems of flooding seem to have been alleviated. It's important to continue this maintenance.	11/24/2014 3:56 AM
61	No	11/23/2014 2:56 PM
62	we are concerned about the River Cole backing up due to the extent of the proposed new development.	11/23/2014 3:37 AM
63	Does increased development increase the risk of flooding?	11/23/2014 12:37 AM
64	no	11/22/2014 5:16 AM
65	If the drains in the road were to be cleaned on a regular basis this would certainly help. If you walk down Rotten Row most of the drains are blocked my husband, who is a pensioner, regularly cleans the drains in the road by our house to try and avoid flooding!!! What do we pay our Council Tax for!!!	11/22/2014 4:51 AM
66	Covingham Road and The Marsh often floods after heavy rain	11/22/2014 4:21 AM
67	Stop building houses on flood plains and in other areas that increase the risk of flooding	11/19/2014 11:51 AM
68	Too many new homes, etc, planned for our area	11/19/2014 7:20 AM
69	Poor maintenance of overflow ponds, ditches and mains drains.	11/18/2014 3:27 PM
70	The drainage has improved recently with work on channels etc	11/18/2014 11:33 AM
71	The existing road drains remain un-maintained by the council.	11/18/2014 10:33 AM
72	Wanborough Road	11/18/2014 10:01 AM
73	roads need repair. garden waste is being thrown in inappropriate places, including culverts causing blockage	11/18/2014 8:38 AM
74	Ditch clearing in the Parish essential	11/17/2014 7:03 AM
75	As the Wanborough Road is on a flood plain it frequently floods around Redlands Farm and can prohibit cars from entering or leaving the village. Also at the bottom of Pack Hill	11/17/2014 5:37 AM
76	There are some rainwater drains which regularly seem to get blocked/overflow suggesting poor design which could easily be put right	11/17/2014 4:23 AM
77	It rains . Live with it	11/16/2014 9:36 AM
78	Flooding is a real concern with more houses being built and more housing will only make it worse.	11/16/2014 9:15 AM
79	Greater emphasis should be placed on keeping drainage systems clear. This includes ditches.	11/16/2014 8:10 AM
80	Flood defences in Burycroft and the Marsh are being damaged by HGVs.	11/16/2014 6:15 AM
81	We are used to road flooding but the sewage back flow gets a bit annoying. The Marsh	11/16/2014 5:11 AM
82	The Marsh and Burycroft flood regularly, and seems in part to be caused by run-off from fields either side. Landowners should be given a timescale to rectify this, or billed for work commissioned by the Parish Council.	11/15/2014 12:51 PM
83	With increased development I am very concerned that flooding issues will increase	11/15/2014 4:33 AM
84	Excess water on Kite Hill: debris at Jenner Close & freezing over flowing manholes	11/15/2014 2:18 AM

85	No	11/6/2014 6:00 AM
