#	Responses	Date
1	it is absolutely vital that the facilities currently offered by the p.o village stores is retained in some form or another	1/5/2015 11:47 AM
2	A classic example Hewers Bakery demolished for guess what MORE HOUSES 5th bullet point: what community facility?	1/5/2015 10:06 AM
3	IM NOT SURE WHY THE QUESTION WAS ASKED ABOUT DOCTORS SURGERY REMAINING IN THE VILLAGE. SUCH A BAD QUESTION TO TRIGGER ALARM BELLS!!! WE NEED THIS FACILITY, ESPECIALLY AS WE HAVE AN AGEING POPULATION AND ALSO MANY FAMILIES	1/5/2015 6:27 AM
4	church is in a conservation area and there could be a community facility elsewhere. how about multi-use of hoopers? a multifunctional building?	1/5/2015 6:06 AM
5	The original planning of hoopers field was: no floodlights, no indoor 'Facilities', no functions parties etc.	1/5/2015 5:24 AM
6	have church hall by the church and church's have to have toilets	1/5/2015 5:06 AM
7	The village hall provides a central community area for the youth group	1/5/2015 5:00 AM
8	Doctors and Post Office are two facilities that I reply on	12/16/2014 3:30 AM
9	We need to retain our Post Office this is essential and valued facility in the village	12/16/2014 3:10 AM
10	Important that community facilities are fully utilised for locals to use.	12/15/2014 3:39 PM
11	Post office and village shop very important, also the Doctors surgery.	12/15/2014 12:45 PM
12	We need a village hall that is multiuse and has multiple facilities so it does not get tied up with a single activity such as the playgroup and can provide daytime activities for our older residents	12/15/2014 2:51 AM
13	Would be good to have some young people involved with the creation of the neighbourhood plan. (under 25).	12/14/2014 1:19 PM
14	I can't stress enough how important a village shop is	12/14/2014 12:29 PM
15	I WOULD REALLY LIKE TO SEE AN ALL WEATHER MULTI-SURFACE FOOTBALL PITCH TO SAVE MONEY FOR THE FOOTBALL CLUB AND NOT TRAIN AT DORCAN.	12/14/2014 9:45 AM
16	Why not a community Shop ?	12/14/2014 8:38 AM
17	We must keep our post office in the village, or just a small shop, some residents will not cope with out this facility in the village	12/13/2014 11:15 AM
18	Keeping the Post Officer is extremely important, everything possible must be done to ensure we keep it	12/13/2014 10:53 AM
19	The village is changing too fast there is always houses being poked in any space. The doctors surgery is difficult to get to some times as Kite Hill is a challenge without transport	12/13/2014 9:27 AM
20	Sports facilities are important for bringing the community together	12/12/2014 12:52 AM
21	It is unlikely that the village population could support items 1 & 2 additionally both would generated a excess of traffic from outside the village	12/10/2014 11:54 AM
22	The issue with the provision of local sports facilities is that many of our children will never be able to afford to live in the village. It is very well building new developments with an average house value of £500,000, but these development make no provisions for FTB's. However, the old bakery development did make provision. Any new developments must accommodate FTBs, we cannot allow developments that cater for > £250,000 homes only...	12/10/2014 1:26 AM
23	All our open spaces must be kept open	12/9/2014 6:00 AM
24	It is important that the Post Office is retained in the village	12/9/2014 5:50 AM

25	If we do not allow further development in our village then we won't need any further facilities. What we have now is perfect.	12/8/2014 11:48 AM
26	Post Office/Community Shop provides a hub for the village that enables people to feel more connected	12/8/2014 10:45 AM
27	Post Office/Community Shop provides a hub for the village that enables people to feel more connected	12/8/2014 10:37 AM
28	The loss of the Post Office and shop would be a disaster. Every effort must be made to keep this open.	12/8/2014 10:27 AM
29	Would like a shop that closed later.	12/8/2014 2:34 AM
30	It might be a sensible idea to floodlight the unlit two tennis courts if extra work is being done at Hoopers Field.	12/5/2014 5:49 AM
31	Improvements at Hoopers Field important to provide a more sustainable building which can generate income.	12/4/2014 11:44 AM
32	Recently, money has been spent on the redevelopment of the play area near the Village Church. However, as the area has not been fenced off dogs are able to roam around the equipment. Unfortunately, this has led to some dog owners not cleaning up after their pets. This makes the area unsafe for children.	12/4/2014 9:21 AM
33	I would agree the village needs a shop but the current one doesn't cater for my needs. It doesn't open long enough nor sell a wide enough range of goods.	12/2/2014 1:12 PM
34	I think it is highly desirable to have a village shop, I think the current plan to locate at the rear of Village Hall is undesirable. I do not think letting it rent free is appropriate. Have the council considered what would happen if let to a tenant and then tenant vacates. I don't think wherever it is located it should not be built until a tenant has entered into a binding contract.	12/2/2014 4:02 AM
35	I would like to see the village make money from tourist trade rather than development so anything that supports this would be good.	12/2/2014 1:19 AM
36	The village hall on the high street is a great facility but not mentioned above so wanted to highlight it here. Caters for all ages from under 5 through to pensioners keep fit	11/28/2014 2:28 PM
37	Water supply and lavatories should be high on agenda at St. Andrew's Church so that this magnificent building becomes a real heart of the village, to be used, in addition to its core religious purpose, as a cultural centre where music and voice can be heard by Parishioners	11/28/2014 8:28 AM
38	Another tension point! A shop and post office requires a critical mass of users to be financially viable - which I doubt Wanborough provides - and this implies more residents, but losing the PO and shop would be a real setback. Losing the doctors surgery must be avoided at all costs - getting to Ramsbury or to another surgery would be a nightmare for many as there are no suitable bus services etc.	11/28/2014 7:31 AM
39	No	11/26/2014 4:17 AM
40	I would really enjoy to see that we have a post office kept in the village as I find it is very useful.	11/24/2014 11:18 AM
41	I think there needs to be some provision for those children aged 10-18. The refurbished play area at Church meadow is great but somewhere for older children to use, such as a skate park or bike ramps in Hoopers Field or the Rec would be good. Teenage boredom is a problem in the village with no youth club or other similar facilities	11/24/2014 10:58 AM
42	No	11/23/2014 2:57 PM
43	Will the current doctor's surgery be able to cope with the increase in patients from any future housing development?	11/23/2014 3:12 AM
44	There is currently sufficient sports provision/ community hall space in the village. The existing traffic problems should not be made worse by extending it further.	11/23/2014 12:55 AM
45	The church needs a toilet, so it can then be used for more local activities for all the community.	11/22/2014 11:58 AM
46	no	11/22/2014 5:18 AM
47	large amount of teenagers with no-where to go; this has been like this for years. it is talked about but nothing is ever done; Hoopers Field building could be utilised for this	11/19/2014 9:48 AM
48	Concern over the potential closure of the Post Office/Village Store.	11/19/2014 9:29 AM
49	People who do not drive are very restricted due to facilities in village	11/18/2014 8:40 AM
50	A running track at Hoopers Field would be good.	11/18/2014 6:00 AM

51	More facilities should be provided for teenagers. If the aim of the Government is to cut back emissions from cars, the facilities already in the village should be maintained. At present there are very few groups for seniors, if as a community we wish to enhance the care of older people these groups should be funded and supported to alleviate loneliness, mental health problems and poor welfare	11/17/2014 5:45 AM
52	Why was so much money spent on a kids playground?	11/16/2014 9:38 AM
53	No	11/16/2014 6:16 AM
54	In order to compensate the Village for the inevitable disruption caused by the Eastern Villages, I would strongly support the developers providing additional community facilities for Wanborough, as is common in Europe. Perhaps a swimming pool, trim trail, barbecue/picnic area?	11/16/2014 5:31 AM
55	Post office and shop is a meeting point and community asset to the more elderly, users of the hall, villagers in general and passing traffic. It will be a great loss if a new site cannot be located, one that is central and visible.	11/16/2014 5:19 AM
56	Money and resources need to be put to facilities that all ages can use. Hooper's is mainly for the under 40s (with the obvious exception of bowling). Encourage social interaction, we have enough sports/outdoor provision.	11/15/2014 10:39 AM
