13<sup>th</sup> December 2022

Dear Residents,

**Pack Hill/Commonhead Roundabout – Traffic Management – Full closure**

Further to our last correspondence dated 18 November 2022 regarding the traffic management on the Pack Hill Road, I am writing to inform you that Pack Hill will be closed fully from 9 January 2023 until 10 February 2023. During this time the Wanborough road will remain open.

Pack Hill will reopen at 17:30 hrs on 10 February 2023.

Access will be maintained to those residents within the hard closure (see below image) on the pack hill road via a traffic management gated access on commonhead roundabout at all times. All vehicles will be escorted to their chosen address

There are other alternative routes for the road user along Ham Road and Purley Road via Liddington or via Foxhill and Liddington.

The works being undertaken are to re-align the existing Pack Hill Road to deal with future traffic flows leading onto the new Southern Connector Road.

The full closure provides a much safer working area to the workforce on an already narrow pack hill road. Working under traffic signals as you approach the bend outside the project offices and towards the Wanborough village causes a pinch point which has been flagged as high risk.

The full closure will also allow a series of TM phases to be undertaken concurrently and avoid lengthy night-time works. Two ends of the pack hill road will be worked on simultaneously tying the new scheme into the existing road. A series of disciplines will be installed under the closure:

- Road restraint system
- Drainage
- Earthworks
- Surfacing
- Kerbing
- Communications ducting / traffic signals / induction loops
- Street lighting
- Traffic signs
- White lining

BGCL will endeavour to minimise impact to the local road network during the works and we apologise in advance for any disturbance. We welcome all feedback, comments and queries should you wish to contact us please email [scrstakeholderliaison@buckinghamgroup.co.uk](mailto:scrstakeholderliaison@buckinghamgroup.co.uk) or [SSCR@swindon.gov.uk](mailto:SSCR@swindon.gov.uk) . There is a monthly e-newsletter dedicated to the New Eastern Villages Schemes which includes planning and highways updates which you can sign up to at ([www.swindon.gov.uk/newsletter](http://www.swindon.gov.uk/newsletter)).

Yours sincerely,

Matt Hook  
Project Manager/ Stake Holder Liaison Manager  
Buckingham Group Contracting Ltd

DRAFT

**PACK HILL HARD TM CLOSURE LOCATION**

LOCATION OF ROAD CLOSURE – 9 JANUARY - 10 FEBRUARY 2023
