3. Minutes of the meeting held on 21st March 2022
Proposed by Colin Offer, Seconded by John Emmins, minutes of the last meeting were unanimously approved.
4. Hooper's Field maintenance
 - 4.1 To discuss recent driveway repairs and surface condition. – awaiting update from contractor although there is a general view that unless the camber (slope) of the road is changed
 - 4.2 Storage areas – Problem with the Clerk's/ Handyman storeroom access being blocked was reported, Paul Penfold agreed to contact Clerk asking for clarification. ACTION Cricket Club.
 - 4.3 Utility costs – A reminder that all clubs check that all lights are turned off before they lock up as it's been noticed that lights have been left on all night – this was noted by clubs. Clubs asked for the heating controls to be checked as they have noticed the heating is on during the summer. ACTION Parish Council.
5. Hooper's Field Project
 - 5.1 John Emmins reported that the Business case and a covering letter to Swindon Borough Council are now complete. There will be a Parish Council meeting on the 25th where these will be discussed and Parish Council should agree a way forward. A working party for fund raising and grant applications is needed.
6. Update from Sports Clubs
 - a. Wanborough Bowls Club

reported a slight reduction in membership and the club are proposing a leaflet drop in the Eldene and Dorcan areas. It was suggested that the new housing in Badbury Park should be included. Occasionally cricket balls are landing on the bowls green and these are coming through the cricket nets. Paul Penfold agreed the nets are in poor condition.
 - b. Wanborough Tennis Club

It was reported that the existing floodlights are ageing, one has failed and there is difficulty sourcing a replacement. The club would like them updated.
 - c. Wanborough Cricket Club

The membership is constant, there are 3 weekend teams and one midweek. The club is looking at a short term solution for the damaged nets, ie replacing the netting

Other matter raised at the meeting

Paul Penfold highlighted the problems of dog fouling on the sports field and surrounding area. After some discussion Paul will provide examples of "signage" that he considers to be more noticeable and therefore more effective, The consensus of the meeting was that if this doesn't solve the problem then a "dogs on a lead" policy should be introduced for Hooper's Field.

Paul Penfold also highlighted the lack of rolling of the cricket outfield which leads to a bumpy and potentially dangerous surface.

Action, Colin Offer proposed that the Parish Council members of the committee take a walk around Hooper's Field prior to the next meeting to review these 2 points.

Bowls conservatory guttering, the Bowls Club have approached a local contractor to help with access to the guttering from the Pergola

Paul Penfold also requested that the cricket club be given a long term lease (or similar) to allow them to apply for England Cricket Board grants. This was also requested (remotely) by JFC through Lee Herring.

Colin Offer said that in the past the Parish Council have written to the clubs stating the clubs eg Tennis have a long term use agreement for the facilities. ACTION To be clarified by the clerk.
